

ONLINE GROUP REGISTRATION INSTRUCTIONS

1. Go to the Angeles Crest Christian Camp website: www.angelescrest.com
2. Go to the summer or winter camp webpage you would like to attend
3. Click on the "Register Now" button
4. First, follow the instructions to set up an account for your church
5. Once your church account is set up – you can reserve a block of spaces for your group.
6. To reserve your block of spaces look for "Reservations" and choose "I AM A GROUP LEADER"
7. Enter your minimum number of campers – you can adjust that later if your numbers increase.
8. Enter your # of male/females. That can be adjusted as you collect registrations from your group.
9. Enter a code that you will give to your parents to use when they register and pay for their child.
10. Is your church going to subsidize the fees? If so, you can enter that amount during this process.
11. We require a 10% deposit from your church for each space you reserve. That can be applied later to your counselors/adults or refunded back to the church.
12. Camperships are available for families who need financial help. We need a written request by the parent/guardian. Once we receive the request, we will give you a code to give to the parents that they can use when they register. It will give a 33% discount on the individual registration.
13. Have your campers/parents register individually through our website. At that point, the registration process will also collect their medical release/liability forms.
14. For Counselor/Adult registrations: You will register your counselors/adults separate from your campers by going to the Summer Camp – Adult session registration page.
