FROM CAMP TO BAPTISMS

Olivia and Sunshine attended Angeles Crest summer camp. We had talked about baptism and doing baptism classes at church. At camp the kids are at church 24/7. They are on a God-High (worship, speaker, lots of Christians, no technology to distract them). So it's a great opportunity to talk about giving your life to God and putting Him first in your life. Olivia and Sunshine were both baptized after camp. Praise the Lord!

TAKING CAMP DOWN THE MOUNTAIN TO THE COMMUNITY

The camp speaker, Josh Best sparked a lot of conversation about being part of a church family and community. We saw his message was supported by the way the staff treated the campers and the leaders.

Within a week of our return, 6 of the youth volunteered to help with our AWANA program (we were desperate for help), 2 have become part of the Sunday worship team, 3 have volunteered to teach Sunday school.

Also, driven by the youth, we have started a daily devotions with the YouVersion app as a whole group.

As you can see - they were convicted to become active parts of the body, their church family as a result of camp.

My heart is pretty full right now.

LIFE-CHANGING STORIES from Summer!

We had a kid staying in our cabin who came up without a group or leader. When the speaker gave an invitation, he went forward and prayed to receive Christ. The cool thing is that my high school counselor got to pray with him and help him make his decision to receive Christ as his Savior. He was super excited to be part of that experience!

UNEXPECTED BLESSING

Pam Young, Children's Leader, Knott Avenue Christian Church

This is a story of a student, who in all likelihood, I will never see or talk to again. It was Saturday night. Lots of kids were coming forward to accept Christ. It was exciting.

I was sitting in the front row and I saw a young man who was alone and crying. Unfortunately all the leaders were with other kids. I walked over to him. He quickly opened up and told me about his brothers who were in and out of jail and about how he was scared for them and also scared that he might end up like that.

I'LL SEE HIM IN HEAVEN

I asked him if he knew Jesus as his Savior. He said no.

I'd never led someone to Christ and was very nervous so I prayed, "God help me." I was able to pray with this young boy and he accepted Jesus as his Lord and Savior. God is good! I pray for this boy at least once a week and I know that God has great plans for him - I am excited to see him in Heaven one day.

Bring new LIGHT to the CHAPEL

Christmas lights are one of the most significant aspects of the Christmas season.

Jesus said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." John 8:12

Light breaks the darkness and impacts our senses. It's true at camp as well.

OUR PROBLEM: The main chapel at Angeles Crest was built in the 1960's and the lighting system is old, tired and outdated. In order to provide relevant, top-level programs for our children and youth, we need to renovate the indoor lighting system.

THE SOLUTION: Provide new, up-to-date lighting technology that will

create imaginative youth and children programs which will result in an eternal impact on campers.

OUR GOAL? Our goal is to raise \$15,000 to renovate and install a first class lighting system in the main chapel to be available for our 2019 Winter Camps.

Why? The reason is to bring a life changing, eternal impact into the lives of children and youth. That's it - that's our mission!

Will you please join us in giving a financial donation toward the NEW CHAPEL LIGHTING SYSTEM?

You can help bring the "light of Jesus" into the lives of our campers for years to come.

Please use the enclosed envelope or go online to www.angelescrest.com to make your donation.
