## 2019 Ministry SUMMARY: The Year of Re-Investing

# Meet Cole.

COLE HAD BEEN AN OCCASIONAL ATTENDER OF OUR YOUTH GROUP AT CHURCH.

Like so many teenagers living in SoCal, Cole was uninterested in spiritual things - especially a winter weekend in the mountains at a Christian camp.

But both of his good friends from the youth group were going to winter camp. After a ton of asking and encouraging, Cole finally said YES to joining his friends on the mountain at Angeles Crest.

I had this deep sense that God was going to do something in Cole's life during camp simply because it was so hard to get him up the mountain.

On Saturday night when Pastor Rob gave a really clear and relevant invitation to follow Christ, I held my breath and prayed.

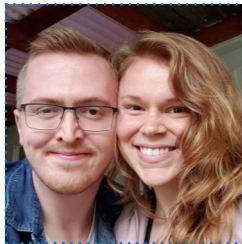

Later that night, I asked if any of the students had made the decision to follow Jesus to let me know by the end of the week.

Sunday morning, Cole approached me with a smile and told me he had made a decision to follow Christ.

Wow! This simple act of faith, on the mountain of Angeles Crest brought me such joy!

I never tire of watching God jump into the lives of reluctant, drifting, uninterested students like Cole and change their eternity forever!

Thanks,
