

FOR WE LIVE BY FAITH, NOT BY SIGHT.
2 Corinthians 5:7

After such an arduous 2020, with numerous major projects still in need of funding, and with summer still on the horizon, individuals and families like the Lowrys have faithfully given to "Bridge the Gap" to summer 2021. Lord willing, their example serves to encourage and inspire us all!

In early October of 2020 we shared the huge financial need of \$865,000 Angeles Crest was facing in order to make it to summer 2021.

We've called the campaign **"BRIDGE THE GAP"**.

The GOOD NEWS, thanks to folks like you, we have received \$832,000 toward the \$865,000 goal!

We praise God for our faithful donors who've given sacrificially, however, there is still more to do.

All we need to reach Summer 2021 is \$33,000!

This is my story of the eternal impact of Angeles Crest Christian Camp in our family.

I'm Charles H. Lowry.

As an Aerospace Engineer, I brought my young family to California in the early 1960s. We joined Garden Grove Christian Church and found a deeply rooted and close partnership with Angeles Crest.

I give Angeles Crest credit for instilling in my children precious spiritual values and a desire to serve our Lord that has carried all of them ever since. And now their kids are benefitting from their parents' wonderful weeks of camp all those years ago.

"Camp is magically better at some things."

I feel strongly that Angeles Crest has had more long-term influence on my kids than even family or local church.

We've always been a Christian home, and our church always had a wonderful Sunday School and Youth Groups, but camp is magically better at some things.

My kids have long since "graduated" from camp, but I want kids of today to benefit the way my kids (and my family) have. Therefore I continue to support Angeles Crest and look for ways to increase support as the years go by.

Every Christian parent wants their kids to develop a strong

and lasting faith.

That's why I've asked myself these two questions: **What's camp worth to caring parents? What's it worth to train our youth in the ways of our Lord?** It's worth it because so many preachers, ministers, and church leaders sprung from the seeds planted at camp.

In addition to committed leaders, it takes money to have needed facilities and first class programs. And Angeles Crest must keep camp tuition low to allow young families to send their kids. So it is up to all caring people to support the wonderful work that happens on that mountain top."

What an amazing testimony of God's goodness and faithfulness in the lives of this family! Thanks to Charles Lowry and his family for being a part of the Angeles Crest story for so many years in so many ways.
