

What to Bring

We're so glad you've signed up to attend **MANCAMP** at Angeles Crest!! To make sure your stay at Angeles Crest is a great one, please review the list below to make sure you have everything you need. We're looking forward to seeing you at camp!

1. **Bible** - First things first - make sure you bring your Bible to use for all the main sessions and for the seminars. You'll also need a pen to take notes. We'll hand out a MAN CAMP booklet at the retreat that will have a schedule, a place for notes, and other important items inside.
2. **Clothing** - The best way to dress for camp is to bring layers. You can bring shorts for warm weather during the day and pants for the evening. You'll need a coat/sweatshirt for the cooler evening weather. Tennis shoes or hiking boots are best for the camp terrain. Depending on the weather, the pool may be open so you may want to bring a swimsuit as well.
3. **Toiletries** - Make sure you don't forget to bring your toiletries with you (toothbrush, toothpaste, shampoo, soap, etc.) along with a towel. You may want to bring some chapstick and especially sunscreen for the afternoon sun.
4. **Staying overnight** - If you plan on staying overnight, you will need to bring your own bedding including a pillow, sleeping bag and/or blankets, etc. All of the cabins are heated so you don't need to bring a lot of bedding, just enough to keep you comfortable.
5. **Spending Cash** - We will have our camp store open which offers snacks, drinks, camp clothing, etc., where you may wish to purchase some items. Also, some of recreation events will require a fee (ex: paintball). In addition, we will be taking an offering on Saturday evening that will go toward a special project that will help get the camp ready for the summer.
6. **Weather** - The weather will most likely be warm during the day a cool/cold at night. Make sure you bring a hat and sunscreen for protection from the sun during the day. Be sure to bring a sweatshirt or a jacket as it can get cool at night and in the mornings.
7. **Water Bottle** - Since we are at an elevation of 6,000 feet the weather can be warm and dry. It is a great idea to bring a water bottle so you can remain hydrated during the weekend.
